

container on which the seal has not been broken.

SENATOR SIECK: That's right.

SENATOR CHAMBERS: It says the seal is broken on the package, so what kind of seal is on a six-pack that it would be referring to?

SENATOR SIECK: It has got a tab and you pull that tab up and it is broken.

SENATOR CHAMBERS: But the package would be that in which the cans are held.

SENATOR SIECK: That, or...

SENATOR CHAMBERS: And Senator Hall is trying to help too, but I want to deal with the six-packs, then I might go after him on these to further enlighten me. I think the way the bill reads, if you are talking about the original unopened package in which you have six cans of beer, if the package is broken and anything on there could be considered a seal, then you are in violation.

SENATOR SIECK: I don't think a six-pack of beer has a seal on it, that is a six-pack package. But the containers within that six-pack are sealed and you break that seal, then you have an open container.

SENATOR CHAMBERS: But what does the word "seal" mean?

SENATOR SIECK: Seal means sealed shut with a stamp or...

SENATOR CHAMBERS: That's what it means. Sealed could mean shut.

SENATOR SIECK: Right, it is shut.

SENATOR CHAMBERS: It could mean a stamp.

SENATOR SIECK: Right.

SENATOR CHAMBERS: It could mean anything that represents the manufacturer.

SENATOR SIECK: Okay, on liquor bottles there is a United
